

PHOTOGRAPHER/VIDEOGRAPHER CONTRACT

I understand that I am expected to represent Lady Tais Fashion and behave in a professional manner. I acknowledge that I will handle myself in a respectful, courteous, and professional manner as a photographer. Any photos taken by me shall not be used in a portfolio or in any way unless permission is given by Designer. If photos would like to be used, and permission is given, the designers full name must be watermarked over the photo. I will not bring any food or beverage into the production area. If available, there will be a designated area available to me in the venue location during show for water bottles and non-messy snacks (such as energy bars). If I arrive late, I may not be able to participate in the scheduled runway event, as time is set aside for preparation. I will not be permitted to leave the venue location until the show has ended and has spoken to the designer as well as her assistant. Any release of photos and/or information of the gowns, and show will result in immediate termination of service. If photos are posted without the designer's name on the photo, charges will be placed and the photo will be removed from your portfolio (as well as
